

Fabric Softener Lavender

AlmaWin cleaning products are convincing through best quality regarding protection of the environment, dermatology and efficiency. Our ecological ingredients are very skin mild and gentle to the skin and they are successfully dermatologically tested. Our ingredients are based on raw materials of vegetal and mineral origin – if available certified organic. AlmaWin renounces on synthetical colorants, perfums and preservatives and on nanotechnology. Genetic engineering is of course a no-no, too.

Ingredients:

≥5 <15% kationic surfactants, <5% perfums (natural essential lavender oil*), Linalool.
*0,4% of the total of the ingredients are from organic farming. Further ingredients: water, isopropanol, citric acid, 99% of the total of the ingredients are of natural origin. contains Linalool. Can cause allergic reactions.

Characteristics:

AlmaWin Fabric Softener makes your laundry snuggly and soft, and ensures that fabrics feel pleasant to the skin and also to your nose, by spreading a pleasant lavender scent. The textile fibres are protected while becoming fluffy and soft.

Dosage:

25 ml for a soft feel, 30 ml for a very soft feel, 35 ml for a extra soft feel

1 dosing cap = 30 ml

Product sizes:

750 ml – environmental hero bottle made of more than 95 % recycled plastics

100 ml – small bottle, perfect for trips and vacation

Application:

AlmaWin Fabric Softener can be combined with any liquid detergents or washing powders by AlmaWin. Simply add the fabric conditioner into the fabric conditioner compartment for snuggly and soft laundry. For all natural and mixed fibres. Also suitable for hand wash. Not suitable for microfibres and functional wear. Do not place directly onto the laundry.

Awards:

**DERMATOLOGISCH
ERFOLGREICH GETESTET**
